

Reinie

Reinie Kramer, LBLBC Vice President, Tournament Director, and friend to many, passed away from a heart attack last weekend. You knew when Reinie was in the house. A personality larger than life, he was the nicest guy in the clubhouse, but out on the greens there wasn't a more no nonsense, competitive bowler. He told it like it was and didn't pull any punches. A mainstay in the Monday and Wednesday morning bowls, he was toasted with Tecates this last Wednesday. He will be dearly missed.
