All games on the second day will be 14 ends except for the singles which will be 18 points. Opposition on the first day will be determined based upon a blind draw.

Ranking after the first day will be done as follows:

1. Win points – 2 for a Win, 1 for a tie, and 0 for a loss
2. 1st tiebreak is the total point difference based upon +/- 7 points per game
3. 2nd tiebreak is using the actual scores not limited and determining the differential. This is a fraction of total team points divided by your points plus your opponents' points.

A bye, if necessary, will be considered a game won, and you will receive an average winning score for the round you received the bye in.
