

Join the PBA (Professional Bowls Association) by August 31.

Membership is open to any bowler of either gender wishing to participate in international competitive bowls competitions as USA representative.

Take advantage of this opportunity!

The aim of the Professional Bowls Association is to promote and develop Professional bowls worldwide and in so doing, foster, safeguard and encourage the game of bowls at all levels worldwide. There are currently branches based in Australia, Canada, Hong Kong, Israel, New Zealand, South Africa, USA and Europe. USA bowlers have supported and participated in PBA since the founding of the organization 16 years ago.

4 qualifying events are held annually in the USA for the following competitions:

Scottish International Open,

Potters Leisure Resort Singles and Pairs

Blackpool International Open Singles.

Format is 2 x 9 end games followed by a tiebreaker.

When competing at one of these above events, the bowler receives approx. \$1000.00 in prize money, win or lose the 1st game.

Prize money increases with each additional win.

What a wonderful opportunity to bowl against the rest of the world and attain world ranking!

At present, only 9 bowlers are members in the PBA. An additional 7 bowlers, giving USA 16 members, are needed to continue US participation in PBA.
