

ATTENTION!

End Date near for SKILLS CAMP IN SUN CITY

All ladies interested in improving their bowling skills are invited to participate in a skills camp. This camp will be especially useful for bowlers considering tournament and international competition as their goals. The camp will be held **Friday and Saturday, February 12 and 13** following the South Central Open in Sun City, AZ.

The camp is open to all women bowlers and will focus on drills to improve shot making, strategy of play, and skills for each position on a team. It will also include competition scenarios that will have players rotating through the different positions of a team.

This camp is not part of the TEAM USA application process and TEAM USA applicants are not required to attend.

Friday evening Melanie Vizenor, Umpire in Chief for Bowls USA, will be holding a class on rules of the game for general knowledge purposes, umpires, and umpires to be. We will also be getting together at a local restaurant where "campers" will have the opportunity to meet bowlers from around the country and share experiences.

Additionally, Stephen Forrest, a Level 3 coach from Canada, will be available to video and critique your delivery for a fee (\$20-25). **This service is optional.**

Camp applicants must be Bowls USA members and will be required to pay a fee of \$50. for materials and snacks during the day. Checks should be made to Bowls USA.
