Rotating Mixed Triples

Only Mixed Teams of Males with Females Please!

\$1200 PRIZE MONIES for the Top 4 Teams in "Team Bowling" & "Team Target" Competition

- * "Rotating Mixed Triples" This is like Australian Pairs in that all players ROTATE and play each position. With this format, the entire team should have a balanced skill set to win 3 games of 12 ends.

 The team with the most points for each 3 ends receive 2 Skins. In case of ties, there is 1 Skin awarded to each team.

 The team with the most points gets 2 additional Skins, for a maximum total of 10 Skins per game between the 2 teams.
- ★ Winning teams based on #1-Total Skins or #2-If Ties-Total Ends won or #3- If Ties-Total Points Difference.
- Rotation of each of the 3 ends consists of Skip, Lead, Vice Vice, Skip, Lead Lead, Vice, Skip.

Target Competition

- ★ After the 2nd game, a B-B-Q Lunch will be served.
- After lunch, there will be "Target Competition". Each player will rotate through 3 stations to compete for the 'closest to a target'. The closest 3 at each of the 3 stations will receive poker chips for the Team Competition.
- ★ Scoring will be the overall accumulation of all team members chips and the values will be determined as Red=3 points, Blue = 2 points, and White =1 point. In Case of ties of total points, the team with the oldest player will have precedence.

Entries must be post marked August 21st or after.

The 1st - Two entries from each club will be accepted, and then from a waiting list in order by the postmarked date from each club.
