Instructions for using the SWDivision Forum

After three rebuilds the Forum is up and running. When the forum was first built robots invaded the messages and would plant hundreds of messages that had nothing to do with lawn bowling. I have been testing it for weeks now making sure that only registered lawn bowlers can register and use the forum. Please take advantage of the forum to share your ideas.

NOTE: Please email me at gary@lblbc.com with your user name after you sign up at the forum. This is necessary since we still get hundreds of robot users sign on everyday. I can then find your username and activate the account.,
